This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

IMPORTANT SAFETY INFORMATION

Avoid playing your stereophone at high volume levels. Some studies have concluded that prolonged and extensive exposure to noise in excess of 95dB may impair hearing. Never wear your stereophone while operating a motorized vehicle. It may create a traffic hazard and is illegal in many areas. Exercise caution if you are wearing your stereophone while engaged in activities such as walking, race-walking, jogging, cycling, etc. which may bring you in contact with vehicular traffic.

We are committed to bringing the finest in personal listening to each and every one of our customers.
